RESUME SUMMARY

I am a B.Tech/B.E.(2021-25) graduate from Rabindra Nath Tagore University, Bhopal with a specialization in Computers. I have a GPA of 8.3 and strong skills in HTML, CSS, JavaScript, and Core Java Programming. I have gained valuable experience through my internships and projects, such as creating a Portfolio website and an ATM Interface. With my team management and communication skills, I aspire to contribute to dynamic projects and excel in the field of software development.
